Fun-Packed Family Pantomime

Whittington

10th – 12th January 2019

Souvenir Programme

Welcome to Norton Theatre Group's 2019 Production of

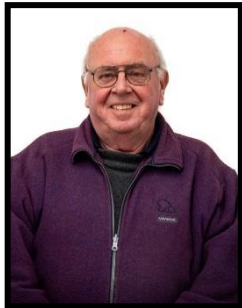

Dick Whittington

The six years that I have been directing Norton Theatre Group have flown by and yet again I am so grateful to be surrounded by a host of talented and dedicated cast and crew. As well as many familiar faces, we have some fantastic new members to our group this year who have fitted in with the wonderful madness that is panto perfectly.

'Dick Whittington' has been a pantomime favourite for many decades and it is one of the few pantos that is based on a real-life story. The real Richard Whittington escaped from poverty in Gloucestershire, became a successful merchant and was eventually appointed Lord Mayor of London. Our production also follows the story of Dick on his quest to become Lord Mayor but that is where the similarities end! On his journey, he must beat the dastardly King Rat, and overcome being kidnapped and shipwrecked in a far-off land.

Will help from his faithful cat Shadow, a good fairy, his overbearing mother and the King of Rock and Roll himself be enough for Dick to win the day? You'll have to wait and see!
